CIVIL ACTION NO. 7:16-CV-00545

**ORDER**

The Court now considers the joint motion to remand, which is signed by all parties.<sup>1</sup> The parties suggest that they have come to agree after removal that this Court lacks jurisdiction: “Defendant . . . removed the case . . . . Thereafter, the parties conferred and resolved the jurisdictional issues and the parties agree to proceed with this case in the state court . . . .”<sup>2</sup> However, the parties do not explain why this Court lacks jurisdiction. Nevertheless, because the parties jointly agree to remand on that basis, the Court finds good cause to grant the motion.<sup>3</sup> The case is duly **REMANDED**.

IT IS SO ORDERED.

DONE at McAllen, Texas, this 2nd day of November, 2016.
